

Super5Mix[®] Adult Formula

Super5Mix Adult Cat Chicken recipe is formulated based on the essential food groups – meat, fruit, grain and vegetables with added vitamins, minerals and plant extracts for optimum health. This delicious formula delivers whole food nutrition for a long, healthy life.

Whole Foods are Healthy Foods

- ★ USDA Deboned Chicken is the first ingredient and provides a great source of complete protein for strong muscles
- ★ Chicken Liver is full of vitamin A to build acute eyesight and has a taste carnivorous cats love
- ★ Whole Fruits and Vegetables like Apples, Blueberries, Cranberries and Sweet Potatoes provide vitamins, minerals and antioxidants to strengthen cells and protect against free radicals that cause disease
- ★ Chicory root is a natural source of fiber, which helps intestinal balance and increased calcium absorption
